

Distributed Learning Program K-9

Roles of Teachers, Parents & Students

Role of the Teacher

The teacher will:

- Collaborate with parents to develop Student Learning Plan
- Provide curriculum and services to support the instructional program
- Perform student assessments
- Supervise delivery of coursework
- Assist parents when problems with progress or materials arise
- Maintain regular contact with enrolled families.
- Organize and direct activities and field trips
- Meet and reassess the Student learning Plan at the end of each 8 week learning cycle

Role of the Parent(s)

The parent(s) will:

- Participate in the development of the Student Learning Plan (SLP) in collaboration with the teacher
- Request help from staff if problems with progress or materials arise
- Maintain regular contact with staff to continually monitor student progress
- Ensure that assignments are submitted on a regular and ongoing basis
- Work with the student in delivery of the instructional program
- Provide a work space environment in the home that is conducive to learning
- Create a schedule for school work in the home that is conducive to learning
- Meet and reassess the Student learning Plan at the end of each 8 week learning cycle

Role of the Student

The student will:

- Ensure that assignments are completed to the best of his/her ability, in all subject areas
- When appropriate, participate in the development of Student Learning Plans
- Request help from parent(s) and/or their teacher when they need it
- Work to the best of their ability on all assignments and tests
- Participate in the Daily Physical Activity requirements specific to their grade level
- Take responsibility for contacting the teacher directly for assistance and support as needed
- Record or make sure student records Daily Physical Activity requirements
- Meet and reassess the Student learning Plan at the end of each 8 week learning cycle
